Moonee Beach Holiday Park Nationally Recognised as a Pet's Paradise

North Coast Holiday Parks (NCHP) Moonee Beach is celebrating a *mastiff* win after being recognised as the number two pet-friendly park in Australia by popular Australian camping and caravanning magazine, *Time to Roam*.

The article from *Time to Roam's* June/July Edition (Issue 27) was based on nominations from the magazine's readers, with parks included having a rating of "four paws or more".

The article noted the great amenities for pets at the parks such as a dog wash station to ensure all pets staying at the park are looking their best when meeting potential furry friends. *Time to Roam* also expressed their enthusiasm surrounding the park's neighbouring pet-friendly park, which allows dogs of all kinds to hit the waves and hang ten with the best of local surfers.

Park Managers Mark and Kelly Shaw said they were excited to be leaders of the pack in the industry, with the recognition demonstrating their dedication to providing inclusive holidays to all family members - no matter their shape, size or species.

"We are so excited to be recognised as one of the best pet-friendly parks in Australia. We now have nine dog-friendly cabins and dogs are allowed inside the cabins with their owners," Kelly said.

"All of Moonee Beach is wonderfully dog friendly, including the local Moonee Beach Tavern for meals, Moonee's shopping centre which is a short drive from the park and the local Doggy Café which comes complete with play area.

"Dogs at Moonee Beach can stay across the park with their owners and we have dog-waiting areas outside all amenities blocks, our camp kitchen and the main office. Our pet-friendly status makes Moonee Beach a great place for the whole family, especially for four legged members."

NCHP Moonee Beach is part of the NSW Crown Holiday Parks Trust (NSWCHPT), which has a strong focus on providing unforgettable holidays for families in iconic destinations across NSW, furry friends included. NSWCHPT also manages the operations of Inland Waters Holiday Parks (IWHP) and South Coast Holiday Parks (SCHP).

NSWCHPT CEO Steve Edmonds said the Group was dedicated to fulfilling the recreational and accommodation needs of families across Australia, recognising that many guests prefer not to leave their pets at home when on holiday.

HOLIDAY PARKS TRUST

“This accolade from such an esteemed publication within our industry shows our commitment to providing exceptional experiences to our guests through exceptional service,” Mr Edmonds said.

“This high level of service includes the recognition that pets play an important role in the Australian family unit and where possible we ensure they are allowed access to our parks.

“Thanks very much to the readers of *Time to Roam* for nominating our Moonee Beach park for this article and congratulations to Mark and Kelly for their hard work and great customer service.”
